

**KOINNS**

**Power. Comfort. Control.**

### **Elevate Your Home Comfort with Our Range of Innovative Appliances**

Step into a world where comfort meets efficiency with our cutting-edge Electric Water Geysers, Ceiling Fans, Wall Fans, Pedestal Fans, Water Heaters and Water Coolers. In the hustle and bustle of modern life, finding sanctuary at home is essential. Our comprehensive range of products ensures you can create a relaxing environment effortlessly.

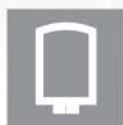

Our Electric Water Geysers deliver instant soothing hot water whenever you need it, using advanced heating technologies that maximize efficiency while minimizing electricity bills. Safety is paramount, with temperature controls and automatic shut-off features to protect your family.

Stay refreshed and comfortable throughout the year with our stylish Ceiling Fans, Wall Fans and Pedestal Fans. Engineered for optimal airflow and energy efficiency, our fans keep your spaces cool and ventilated, blending seamlessly with your home décor.

Experience unmatched convenience with our durable Water Heaters, providing consistent warmth and reliability. Our high-performance water coolers ensure fresh, chilled drinking water at your fingertips, perfect for homes and offices alike.

Sleek, durable, and designed with elegance in mind, our products enhance the aesthetics of your home while offering superior functionality. Choose our range today and embrace a lifestyle where innovation meets everyday relaxation and comfort.

## LONGER WARRANTIES

- 7 YEARS WARRANTY ON INNER TANK.
- 2 YEARS WARRANTY ON PRODUCT

## SAFETY & KEY FEATURES

### FUTURISTIC DESIGN

Futuristic & Compact designed by the design expert with superior quality

### 5-STAR RATED PRODUCT

More stars gives more saving & reduced electricity bills

### TEMPERATURE REGULATION SMART KNOB

Regulation smart knob helps regulate heating of water as per hot water need.

### LEAK PROOF TANK

Polymer glass coating gives the tank extreme intensity and durability

### PLATED HEATING ELEMENT

2 K.W. Nickel plated element for higher heating efficiency & longer life. It gives hot water 33% faster

### ROTATIONAL TYPE THERMOSTAT & SAFETY CUTOUT

Thermostat ensure automatic temperature control & cutout gives extra safety from over heating.

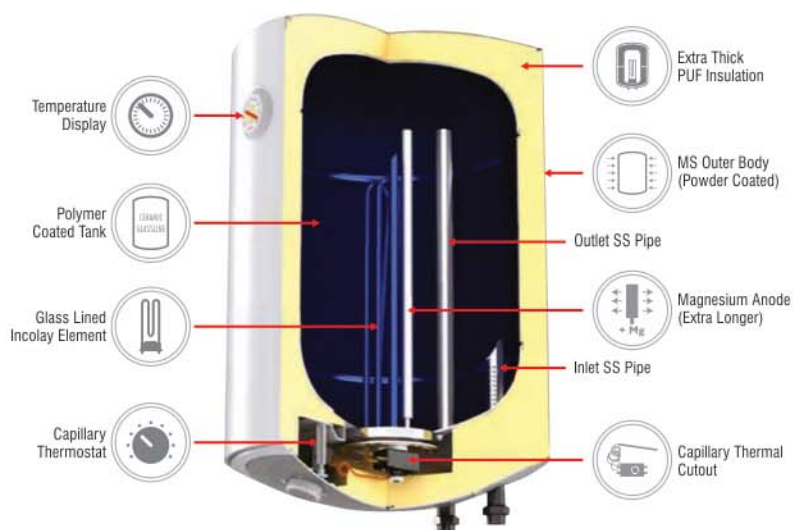

### PUF INSULATION

The high density and thick layer of PUF retention of internal heat & temperature, resulting in better energy efficiency & reduce electricity bill.

### RUST PROOF BODY

Rust proof body prevent corrosion ensures long life for water heater.

**SMART HEALTH PROTECTION**

**SUITABLE FOR HIGH RISE BUILDINGS**
